## ABOUT ME

I am a diligent individual, committed to personal and professional growth. I believe in working hard and learning from experienced individuals to enhance my skills. My goal is to make meaningful contributions to society and excel in my chosen field. I am dedicated to being a productive member of any community or organization I am a part of.

## WORK EXPERIENCE

- May 2021 - August 2023  
Take Care Health Care | Kathmandu, Nepal  
Graphic Designer(Intern)
  - Increased audience engagement by 25% and customer growth by 75% through creative and effective promotional strategies, social media management, and high-quality designs.
  - Created and designed marketing collateral, promotional/print materials, and various digital projects within specified parameters as assigned.
  - Produced quick designs and taken feedback constructively, demonstrating a strong work ethic and commitment to excellence.
  - Strengthened my profile as a graphic designer by developing and showcasing my skills in a professional setting.
